## PLATINUM

NEW! Recently introduced by us. Brilliant silvery-blue color retained the year around. Dense foliage requiring very little shearing to make compact and symmetrical. It has never blighted with us.

Grafts \$1.00 each

## GLOWING EMBER

## FLOWERING QUINCE

We are proud to be the introducers of this superior strain of flowering Quince. It took many years of observation and selection to come up with this upright growing shrub of uniform habit, with brilliant red flowers. It is grown from cuttings of course, in order to perpetuate these desirable characteristics.
